Dear Parent/Guardian

Year 7 Information – Autumn Term 2007

You will no doubt be aware of the excellent dining facilities available in our Baldon Bistro; so that your child can take advantage of this from the first day of term every child will be issued with a swipe card.

This card will need to be topped up at one of three charge points or by cheque made payable to Scolarest and paid to their office during mornings only.

For cash payment charge points accept coins and notes.

The cost of a child's set meal from September 2007 is £1.75. Please ensure your child has enough to cover the cost as the company does not allow credit. If a card is lost the company currently charge £2.50 replacement. Children should therefore keep the cards safe and not give it to another pupil.

For reasons of safety, security and the opportunity to take advantage of our facilities we strongly recommend Year 7 pupils remain in school for their midday meal.

Yours sincerely

Mr C Whitfield
Head Teacher
